## USF LEADERSHIP

The USF Board of Trustees is responsible for cost-effective policy decisions appropriate to the university mission and the implementation and maintenance of high-quality education programs within the laws and rules of the state. The USF Board of Trustees was created in 2001 by the Florida legislature.

The trustees include distinguished figures in accounting, banking, business, education, law, technology, philanthropy, and public policy leadership. Six trustees are appointed by Florida's governor, and five trustees are appointed by the Florida Board of Governors. The USF Faculty Senate President and USF Student Body President also serve as trustees. The USF President serves as Corporate Secretary.

## ACCREDITATION

The University of South Florida is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate, baccalaureate, masters, specialist, and doctoral degrees. The University of South Florida also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of the University of South Florida may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website ([www.sacscoc.org](http://www.sacscoc.org)).

Normal inquiries about the institution, such as admission requirements, financial aid, educational programs, etc., should be addressed directly to the institution and not to the Commission's Office.

For more information on Accreditation, visit [www.usf.edu/ods/accreditation/accreditation.aspx](http://www.usf.edu/ods/accreditation/accreditation.aspx).

The University of South Florida, a high-impact research university dedicated to student success and committed to community engagement, generates an annual economic impact of more than \$6 billion. With campuses in Tampa, St. Petersburg and Sarasota-Manatee, USF serves approximately 50,000 students who represent nearly 150 different countries. U.S. News & World Report has ranked USF as one of the nation's top 50 public universities for five consecutive years, and this year USF earned its highest ranking ever among all universities public or private. In 2023, USF became the first public university in Florida in nearly 40 years to be invited to join the Association of American Universities, a prestigious group of the leading universities in the United States and Canada. Through hundreds of millions of dollars in research activity each year and as one of the top universities in the world for securing new patents, USF is a leader in solving global problems and improving lives. USF is a member of the American Athletic Conference. Learn more at [www.usf.edu](http://www.usf.edu).

**About the cover:** The University of South Florida has reached a historic milestone by accepting an invitation to join the Association of American Universities (AAU), a prestigious group of the 71 leading research institutions in the United States and Canada. Achieving this goal enhances funding opportunities for USF. Member universities receive the majority of competitively awarded federal funding for research. According to the AAU, faculty at their member universities perform 63% of the total amount of federally funded basic research (\$28.8 billion).

As an AAU institution, USF is positioned to further enhance its role of meeting the state's workforce needs and driving economic development. USF generates an annual economic impact of \$6 billion, supporting more than 68,000 jobs. Companies from across the country are relocating to Tampa Bay – one of the nation's fastest-growing regions – and many credit the robust pool of talent created by USF. This trajectory will only continue as the brightest faculty, staff and students are historically known to gravitate to AAU universities located in metropolitan areas, helping bring more federal tax dollars to the state of Florida.

USF is the first public university in Florida to be invited to join the AAU in nearly 40 years and is now one of two institutions from the State University System of Florida to serve as an AAU member.
