Overview

Graduation Rates Overview
The Graduation Rate component of the IPEDS survey collects data on the cohort of first-time, full-time, degree/certificate-seeking undergraduates and tracks them for 150% of the normal time of their program to see how many complete. This information is collected as part of the Student-Right-to-Know Act.
Data Reporting Reminders
Once a student is in the cohort, they remain in the cohort, even if they switch to part-time or drop out. However, adjustments can be made to the initial cohort for exclusions, which include the death of a student, permanent disability, military deployment, or an official church mission.

REMINDER:

Report each individual only ONCE, in either a new category OR an old category.
Do NOT double count individuals!

Report ALL Nonresident aliens and Race and ethnicity unknown in the 'Categories used in BOTH New and Old' section.

- In the columns below, report the status of the BACHELOR'S DEGREE-SEEKING STUDENTS reported in the subcohort in Col 10, who did not complete a program as of August 31, 2010.
- Report transfers-out who did not complete a program in Col 30. If the mission of your institution includes providing substantial preparation for students to enroll in another eligible institution WITHOUT having completed their programs, you must report transfer-out data in column 30. A school is required to report only on those students that the school knows have transferred to another school. A school must document that the student actually transferred. If it is not part of your mission, you may report transfer-out data if you wish.
- Report exclusions from the cohort in Col 45. The ONLY allowable categories for this column are:
students who died or became permanently disabled
students who left school to serve in the armed forces (or have been called up to active duty)
students who left school to serve with a foreign aid service of the Federal Government
students who left school to serve on an official church mission
- Col 49 [non-completers (still enrolled + not enrolled) and completers > 150% of normal time] will be calculated for you
- If you do not have any values to enter in either column 30 or 45, you must enter at least one zero in a field on this screen

Summary

2010 IPEDS Graduation Rate Component Data Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2011.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

Global Edits					
1		Perform Edits	The calculated graduation rate based on the numbers entered this year is falling outside the expected range when compared to last year's graduation rate. Please fix or explain.	Explanation	Yes
Reason:	The system corrected the process for establishing student cohorts for our institution. This adjustment resulted in a drop out rate that differs from the previous year.

2	Row: 48 Col: 4	Perform Edits	Your institution reported offering other undergraduate degrees or certificates besides a bachelor's or equivalent degree on the IC Header survey, but you have not reported an other-than-bachelor's-seeking subcohort. Please explain.	Explanation	Yes
Reason:	The system offers various degree-seeking options, however, our institution does not. The IC Header was coded incorrectly, there is no corresponding other sub-cohort at our institution.
