# USF ST. PETERSBURG

Offering more than 40 graduate and undergraduate programs in the arts and sciences, business, and education, USF St. Petersburg is Pinellas County's only residential, public research university. USFSP features smaller classes taught by faculty who challenge their students to excel in research, teaching and service. USFSP offers opportunities for all students to become engaged with the community, participate in internships, or work with faculty on research projects. USF St. Petersburg is one of few Master's Medium institutions to have earned the highly prestigious, elective Carnegie classification of Community Engagement.

USFSP's core values include student-centered success, research and innovation, inclusion of differences, commitment to community, and care for the natural environment. Student success tops the list, followed by a desire to achieve in new areas of research and innovation. In 2006, USF St. Petersburg was separately accredited by the Commission on Colleges of the Southern Association of Colleges and Schools.

# USF SARASOTA-MANATEE

USF Sarasota-Manatee is a regional institution of the University of South Florida System, offering the prestige of a nationally ranked research university with the convenience of a hometown location, including classes in Sarasota and Manatee counties, Venice and online. Separately accredited, USFSM is ideal for those interested in pursuing a baccalaureate or master's degree, professional certification, or continuing education credit in a small, personal setting with distinguished faculty and a dynamic curriculum of more than 40 academic programs.

USFSM enjoys a stunning bayside location on the southwestern coast of Florida, where students enjoy natural beauty, diverse arts and culture and a passion for excellence. USFSM is the centerpiece of the higher-education corridor in the Sarasota/Bradenton area, offering a true sense of place and climate setting ideal for personal growth and intellectual development. As a fast-growing, rapidly evolving part of the USF System, we like to say that USFSM is "small enough to care, but large enough to lead."
