**The following is additional information for the English major:**

- Internships are available and highly recommended for students to incorporate into years three or four of the degree.
- This major does require two semesters of foreign language to be completed in a college or university setting.
- If a student is already proficient in a foreign language, they need to discuss testing out of the foreign language with an advisor or the USF World Languages Department.
- There are opportunities for students to apply to be a part of a Student Mentorship program within the English Department.
- There are opportunities for students to submit creative writing pieces into USF journals or outside entities.
- Students must have at least a 2.5 GPA before graduation.
- Students are recommended to continually gain relevant experience for their intended career and/or graduate school path. This might include becoming involved in volunteering or research, completing an internship, or being active on campus with an activity or organization relevant to future goals.
- Students can use electives that are outside of the English department to pursue a minor in a different area of study.
