Student Conduct in Information Commons Quiet Study Area

The Information Commons Quiet Study Area is designed to encourage students who want a quieter environment for studying.

Upon entering the Quiet Study Area, you recognize that this space and its occupants will be subject to environmental noise that includes: quiet talking/whispering, foot traffic, incidental technology noises, and overflow of noise from administrative offices connected to the Quiet Study Area.

Due to the nature of the space and its use, please recognize that the area will not be silent.

In an effort to help alleviate common distractions or noise-issues, we ask that upon entering the Quiet Study Area that you abide by the following policies regarding use of the space:

1. Please silence or turn off cellphones.
2. Please refrain from placing or taking a phone call while in the space. All calls can be made in the rotunda.
3. Please avoid any action or behavior that is disruptive, disturbing, or potentially harmful to other users, staff, or Information Commons property.
4. Please avoid loud talking and other noise-producing activities that is disruptive, including the use of electronic or mechanical devices.
5. Please do not leave any belongings unattended.
6. Please leave the room at closing time or when requested by Information Commons staff.

The Information Commons would like to thank you for adhering to these policies.

Remember, ask the front desk to see if we can help reserve an empty classroom for you to work in.

If you need any other assistance, please visit the front desk for help.

Sincerely,

Information Commons Staff
