Getting Started

1) Do you have a preferred writing process? If not, what do you normally do to get started? Respond in a list or paragraph form.

2) What do you like and dislike about your current writing process? List likes in one column and dislikes in another column.

3) What is most challenging to you as a writer? What do you have the most trouble with as a writer?

4) What do you thinking writing is or what do you think is most important about writing?

5) Do issues of gathering information and generating content, or issues of grammar, usage and mechanics vex you the most?

Please look at the Power Point on Writing Process on this site to learn more about the complex and dynamic process of writing composition.
