“I was very impressed with the level of coordination, attention to our needs and the caliber of the students. Having worked in New York and DC and experiencing numerous candidates there, I can honestly say the level of your students’ abilities and professionalism are on par with the best I have seen in those major metro areas.”  Casey Rodgers, Vice President - Financial and Strategic Planning

“The University career services office appears to provide exceptional support service to College of Business students, including the opportunity to participate in virtual mock interviews through “Optimal Resume.”  AACSB Accreditation Team 2013
